

Target Vest is located in the centre of Drammen, and has more than 30 shops. The centre has several exciting tenants especially in fashion and house and home categories, as well as several dining options. The shopping centre has its own underground parking facility and is directly connected to a parking garage that also houses a liquor store.

Target Vest is managed by Citycon for NIAM.

Target Vest attracts approximately 4,000 customers on weekdays and 4,100 on Saturdays.
