

POP-UP AND GROW YOUR BUSINESS - BY SPECIALTY LEASING, CITYCON

We will help you find the right pop-up or media surface at any of our 40 shopping centres across the Nordic region. Promote your brand or product to our 170 million annual visitors.

Whether you want to establish a presence in a new market, launch a new product, reach customers through events, demonstrations or sampling, Citycon offer innovative options that are designed to get you noticed.

Are you curious and have been thinking about entering the Nordic market?

We put products and people together, when they are in the mood to buy or make future purchasing decisions. A pop-up or ad in one of Citycon's shopping centres can be exactly what your brand,

product or concept need to get in touch with your existing and potential customers.

We assist both established companies and completely new concepts to enter the market and get in touch with the people of the Nordic region.

You can book your pop-up or ad at www.cityconmedia.com or contact one of our pop-up experts in order to find the right location for your business.
