

Citycon Specialty Leasing

– easy access to the Nordic market

Be where the customers are.
Promote your products or services
in our centres attracting 120 million
visitors every year.

120
Million annual
visitors

Citycon is the leading owner and developer of urban hubs. We have prime locations in Finland, Sweden, Norway, Denmark and Estonia. Our 33 mixed-use, necessity-based centres are located in the growing urban areas where people live, work, use services and do their everyday shopping. This leads to a stable footfall.

Reach customers in the busiest areas

We are an expert in connecting people and businesses and offer unique platforms in the busiest areas at the heart of our centres.
